Re: *Loraditch v. Bronxcare Health System.*
Case No.: 1:22-cv-03113 (CM)

Your Honor:

This firm represents the Plaintiff in the above-referenced matter. We write, with consent of Defendant, to request an extension of the deadline to reopen the action (if the settlement is not consummated) from June 10, 2024 to June 28, 2024. This is the second request for an extension of this deadline. We make this request because the parties are still working on the settlement agreement and hope to have it finalized by June 28, 2024.

We had hoped to have finalized this matter by now. However, I have had medical emergencies in my family, including serious health problems involving my parent and recent deaths of a family member and close family friend. Given that I will be out of the office for ten days starting late next week, the requested time is necessary. We appreciate the Court's attention and consideration to this request.

Respectfully Submitted,

_____/s/
Louis M. Leon, Esq.
